How to use our app if you're logging in for the first time:

- Visit the App Store/ Play Store on your phone and search **REINZ.** Download the app.

- Open the app and select **Register**.

- Create your account – fill out the fields and ensure you correctly enter your REINZ Membership Number. You will create a password at this stage.

- Your account has now been created, but **please wait for an hour before trying to use the app,** to allow time for all of the info to activate.

If you have any issues logging in for the first time, contact REINZ at 0800 473 469.
